2. Led by the light of Faith serenely beaming,
With glowing hearts by His cradle we stand.
So led by light of a star sweetly gleaming.
Here came the wisemen from the Orient land.
The King of Kings lay thus in lowly manger,
In all our trials born to be our friend!
Chorus

3. Truly He taught us to love one another:
His law is love and His gospel is peace.
Chains shall He break, for the slave is our brother
And in His name all oppression shall cease.
Sweet hymns of joy in grateful chorus raise we,
Let all within us praise His holy name!

Go Tell It on the Mountain

1. While shepherds kept their watching
O'er silent flocks by night,
Behold throughout the heavens
There shone a holy light.
Go, tell it on the mountain,
Over the hills and everywhere,
Go, tell it on the mountain
That Jesus Christ is born.
2. The shepherds feared and trembled
When lo! above the earth
Rang out the angel chorus
That hailed our Savior's birth.
Go, tell it on the mountain,
Over the hills and everywhere,
Go, tell it on the mountain
That Jesus Christ is born.

DELIGHT WITH A PEPPERMINT CANDY CANE DESSERT

(NC) Peppermint candy cane could be the official taste of Christmas. For added whimsy, add a sprig of holly and a bow to make this dessert look like a festive wreath.

Candy Cane Pavlova

Serves: 8

Ingredients:

- 6 egg whites
- 1 3/4 cups (425 mL) granulated sugar
- 1 tsp (5 mL) white vinegar
- 1 tsp (5 mL) cornstarch
- 2 cups (500 mL) whipping cream
- 3 tbsp (45 mL) granulated sugar
- 1/4 tsp (1 mL) peppermint extract (optional)
- 12 to 15 mini candy canes (about 100 g)
- Dark chocolate curls

Directions:

1. Preheat oven to 300°F (150°C). Line a baking sheet with parchment paper. Trace a 10 inch (25 cm) circle with a

marker on the parchment, then add a 4 inch (10 cm) inner circle. When marker dries, flip it over so that the marked side is facing down.

2. Whisk egg whites using an electric mixer until foamy. With mixer running, gradually add sugar. Increase speed to high and whisk until egg whites are glossy, thick, and hold stiff peaks; about 4 to 7 minutes. Stir vinegar with cornstarch until smooth. Whisk into egg whites.

3. Spoon mixture onto prepared sheet following the marker lines to create a wreath. Use the back of a large spoon to create indentations for the whipped cream.

4. Place pan in the oven and reduce temperature to 250°F (120°C). Bake 90 minutes or until meringue is golden and cooked through. Let cool completely.

5. Using an electric mixer on high, whip cream with sugar and peppermint until it forms soft peaks. Spoon into indentations in meringue. Roughly crack 4 candy canes into large pieces and sprinkle over whipped cream, then place 8 whole ones evenly apart so each serving gets a candy cane.

BAKE HOMEMADE HOLIDAY GOODIES

(NC) Gift with love this holiday season by giving a homemade DIY gift to the special people in your lives. According to a recent survey, 63 per cent of Canadians say they would like to receive a DIY gift this holiday season. Furthermore, 45 per cent report homemade baked goods as a gift they'd like to receive, compared to the 19 who want store-bought baked goods.

Try this expert-tested and easy to make recipe that will ensure soft and chewy cookies, every time.

Anything Goes Cookie Dough Chocolate Peppermint Spiral Cookie

Prep time: 14 minutes

Freeze time: 24 hours

Cook time: 8 minutes

Makes: 36 cookies

Ingredients:

- 2 1/2 cups (610 mL) all-purpose flour
- 1 tsp (5 mL) baking soda
- 1/2 tsp (2 mL) salt
- 1 cup (250 mL) Becel Buttery Taste margarine
- 1 cup (250 mL) firmly packed light brown sugar
- 1/4 cup (60 mL) granulated sugar
- 2 large eggs
- 1 tsp. (5 mL) vanilla extract
- 1/4 cup (60 mL) all-purpose flour
- 1 tsp. (5 mL) peppermint extract
- 2 tbsp cocoa
- 20 hard peppermint candies, crushed

Directions:

1. Combine 2 1/2 cups (610 mL) flour, baking soda, and salt

in medium bowl; set aside.

2. Mix in eggs and vanilla extract until blended.

3. Gradually add in flour mixture; mix just until blended. Stir in additional 1/4 cup (60 mL) flour and peppermint extract.

4. Divide dough in half (about 1 2/3 cups). Stir cocoa powder into half and candies into the other half. Roll out cream dough between 2 sheets of parchment or wax paper into 10 x 16 inch rectangle. Repeat with cocoa dough.

5. Using parchment paper, place cream dough on top of cocoa dough, trimming excess so dough is even. Gently roll dough lengthwise into log, using the parchment paper to assist (dough will be soft). Make sure to not leave in any paper.

6. Carefully roll log into peppermint candies, using parchment paper to assist. Wrap log in parchment paper then plastic wrap. Place on cookie sheet and freeze 24 hours.

7. Preheat oven to 375°F (190°C). Unwrap log and slice into 1/4 inch rounds, rotating the log 1/4 turn after each slice to maintain shape. Put dough back into freezer between batches. Place on ungreased cookie sheet — cookies might need to be reshaped into circles at this point.

8. Bake 7 minutes or until edges are golden. Cool cookies on sheets 2 minutes on wire rack; remove cookies from sheets and cool completely.

Have Yourself a Merry Little Christmas

Words and Music by Hugh Martin and Ralph Blane

The image displays a musical score for the song "Have Yourself a Merry Little Christmas". It consists of four systems of music, each with a vocal line (treble clef) and a piano accompaniment (bass clef). The lyrics are written below the vocal line. The first system includes the lyrics "Have your-self a mer-ry lit-tle Christ-mas; Let your heart be light." The second system includes "From now on, our trou-bles will be out of sight." The third system includes "Have your-self a mer-ry lit-tle Christ-mas; Make the Yule-tide gay." The fourth system includes "From now on, our trou-bles will be miles a-way." The piano accompaniment features chords and a melodic line in the left hand. The background of the score is a soft-focus image of a snowy landscape with trees and a warm light source, possibly a window or a fire.

Have your-self a mer-ry lit-tle Christ-mas; Let your heart be light.

From now on, our trou-bles will be out of sight.

Have your-self a mer-ry lit-tle Christ-mas; Make the Yule-tide gay.

From now on, our trou-bles will be miles a-way.

PREPARE A TIMELESS HOLIDAY CLASSIC EVERYONE LOVES

(NC) An old-fashioned family favourite, this peanut brittle is bound to become a tradition in your household. This recipe makes homemade candy simple and delicious. Just be sure to watch the pot and keep organized, as brittle can go from perfect to burnt quickly.

Classic Peanut Brittle

Prep time: 5 minutes

Cook time: 10 minutes

Makes: 12 servings

Ingredients:

- 3/4 tsp (4 mL) baking soda
- 1/2 tsp (2 mL) water
- 1/2 tsp (2 mL) vanilla
- 3/4 cup (175 mL) granulated sugar
- 1/2 cup (125 mL) water
- 1/2 cup (125 mL) light corn syrup
- 2 cups (500 mL) peanuts
- 2 tbs (30 mL) butter

Directions:

1. In a small bowl, stir baking soda with 1/2 tsp (2 mL) water and vanilla. Set aside.
2. In a medium saucepan stir sugar with 1/2 cup (125 mL) water and corn syrup. Set over medium heat, stirring occasionally until mixture turns a light golden colour and reaches 240°F (120°C) on a candy thermometer, about 7 minutes once boiling.
3. Stir in peanuts and butter. Continue cooking, stirring continuously until mixture turns a deeper golden colour and reaches 300°F (140°C) on a candy thermometer, about 2 to 4 minutes once boiling.
4. Remove from heat and immediately stir in baking soda mixture until light and foamy. Then quickly turn onto a lightly-buttered baking sheet, spreading as thinly as possible. Let stand until hardened, about 1 hour. Break into large pieces.

Variation: For a sweet and spicy version, stir 1 tsp (5 mL) of either Chinese 5 spice, hot or sweet smoked paprika, or garam masala into baking soda mixture.

Tip: If you don't have a candy thermometer, you can use a small bowl of very cold water to test as you go. Before starting your peanut brittle, fill a small bowl with very cold water and add an ice cube. Refrigerate until ready to use. To test if temperature has reached 240°F (120°C), spoon about 1/2 tsp (2 mL) of brittle mixture into your bowl of cold water. Using your fingers, gather mixture. It should squish together to form a soft ball. If not, cook a bit longer while watching carefully, then test again. To test if temperature has reached 300°F (140°C), spoon about 1/2 tsp (2 mL) of brittle mixture into the ice water. It will crack into hard threads.

Christmas Favourite Lyrics

DO YOU HEAR WHAT I HEAR?

Said the night wind to the little lamb,
"Do you see what I see?
Way up in the sky, little lamb,
Do you see what I see?
A star, a star, dancing in the night
With a tail as big as a kite,
With a tail as big as a kite."

Said the little lamb to the shepherd boy,
"Do you hear what I hear?
Ringing through the sky, shepherd boy,
Do you hear what I hear?
A song, a song high above the trees
With a voice as big as the the sea,
With a voice as big as the the sea."

Said the shepherd boy to the mighty king,
"Do you know what I know?
In your palace warm, mighty king,
Do you know what I know?
A Child, a Child shivers in the cold~
Let us bring him silver and gold,
Let us bring him silver and gold."

Said the king to the people everywhere,
"Listen to what I say!
Pray for peace, people, everywhere,
Listen to what I say!
The Child, the Child sleeping in the night
He will bring us goodness and light,
He will bring us goodness and light."

WINTER WONDERLAND

Sleigh bells ring, are you listening,
In the lane, snow is glistening
A beautiful sight,
We're happy tonight.
Walking in a winter wonderland.

Gone away is the bluebird,
Here to stay is a new bird
He sings a love song,
As we go along,
Walking in a winter wonderland.

In the meadow we can build a snowman,
Then pretend that he is Parson Brown

He'll say: Are you married?
We'll say: No man,
But you can do the job
When you're in town.

Later on, we'll conspire,
As we dream by the fire
To face unafraid,
The plans that we've made,
Walking in a winter wonderland.

In the meadow we can build a snowman,
And pretend that he's a circus clown
We'll have lots of fun with mister snowman,
Until the alligators knock him down.

When it snows, ain't it thrilling,
Though your nose gets a chilling
We'll frolic and play, the Eskimo way,
Walking in a winter wonderland.

Have a 'SPEC'tacular Christmas!

We would be
near-sighted if we
didn't pause to
say thanks to our
many wonderful
customers!

Christmas Favourite Lyrics

SILVER BELLS

City sidewalks, busy sidewalks
Dressed in holiday style.
In the air
There's a feeling
of Christmas.
Children laughing
People passing
Meeting smile after smile
And on ev'ry street corner you'll hear,
Silver bells, silver bells
It's Christmas time in the city.
Ring-a-ling, hear them sing.
Soon it will be Christmas day.
Strings of street lights
Even stop lights
Blink a bright red and green
As the shoppers rush
Home with their treasures.
Hear the snow crunch.
See the kids bunch.
This is Santa's big scene.
And above all this bustle
You'll hear,
Silver bells, silver bells
It's Christmas time in the city
Ring-a-ling, hear them sing
Soon it will be Christmas day.

THE CHRISTMAS SONG

Chestnuts roasting on an open fire,
Jack Frost nipping on your nose,
Yuletide carols being sung by a choir,
And folks dressed up like Eskimos.

Everybody knows a turkey and
some mistletoe,
Help to make the season bright.
Tiny tots with their eyes all aglow,
Will find it hard to sleep tonight.

They know that Santa's on his way;
He's loaded lots of toys and
goodies on his sleigh.
And every mother's child is going to spy,
To see if reindeer really know how to fly.

And so I'm offering this simple phrase,
To kids from one to ninety-two,
Although its been said many times,
many ways,
A very Merry Christmas to you

Here Comes Santa Claus to help you with the snow

*May the warm, wonderful season of Yuletide
bring happiness to you and yours*

The Origin of Santa Claus

The origin of Santa Claus begins in the 4th century with Saint Nicholas, Bishop of Myra, an area in present day Turkey. By all accounts St. Nicholas was a generous man, particularly devoted to children.

His kindness and reputation for generosity gave rise to claims he that he could perform miracles and devotion to him increased. St. Nicholas became the patron saint of Russia, where he was known by his red cape, flowing white beard, and bishop's mitre.

In Greece, he is the patron saint of sailors, in France he was the patron of lawyers, and in Belgium the patron of children and travellers. Thousands of churches across Europe were dedicated to him and some time around the 12th century an official church holiday was created in his honor. The Feast of St. Nicholas was celebrated December 6 and the day was marked by gift-giving and charity.

After the Reformation, European followers of St. Nicholas dwindled, but the legend was kept alive in Holland where the Dutch spelling of his name Sint Nikolaas was eventually transformed to Sinterklaas. Dutch children would leave their wooden shoes by the fireplace, and Sinterklaas would reward good children by placing treats in their shoes. Dutch colonists brought this tradition with them to America in the 17th century and here the Anglican name of Santa Claus emerged.

Other countries feature different gift-bearers for the Christmas or Advent season: La Befana in Italy ~ The

Three Kings in Spain, Puerto Rico, and Mexico ~ Christkindl or the Christ Child in Switzerland and Austria ~ Father Christmas in England ~ and Pere Noël, Father Christmas or the Christ Child in France. Still, the figure of Santa Claus as a jolly, benevolent, plump man in a red suit described in Moore's poem, *A Visit From Saint Nicholas*, remains with us today and is recognized by children and adults alike around the world.

a Christmas Season filled with love,
laughter, peace and joy*
